

Main Bulletin Board Hanger-Art In Action

This year Annette Papipetro is going to supervise the hanging of the main board. Docents should have the art work mounted and labeled for the hangers, and in the class box in the Upper Hall cabinet. Be sure it is not hanging in the classroom when it is scheduled to hang on the main board.

+Go to the class box (right hand closet, Upper Hall) and get the artwork scheduled to hang. Please hang on the date you are assigned. The schedule is tight so stick to it. Hang work on the main bulletin board near the office on the date assigned. You may or may not have to change the background paper. Fran has different colored rolls of this. Also print out or stamp with the letter stamper in the office, the full name of the artist and the grade and hang on the board. Watch the spelling of the artist's name. If there are some that do not look finished don't hang them. There may not be one from every child but don't worry about that. Please be sure all art work is labeled with a child's name. If the names are not showing the kids (and parents) try to look on the back and peel all the art work off the board. Do not leave the board empty ever. There are school tours all the time so we want that area to look good. Be sure you have to have everything ready before you take the last ones down. Put the art you take down in the correct class box in the Upper Hall. Be creative and feel free to hang the poster or other artwork by that artist.
